Hi!! My name is Lili, I' m 24, from France. I ve got a master in business law. I decided to come to Australia in order to gain another masters in international business.

I m highly educated, fluent in English (Academic IELTS : 7) and I am sure I can help students to improve their French. I think to have a native French speaker as a tutor is essential to ameliorate your reading, spelling, grammar, pronunciation.

I think communication is essential between myself and the student, thus, I will ask first what you want in order to stucture my lesson according to your difficulties, levels, goals and budget.

To improve a language it is very important to practice it. I will do my best to encourage you to speak and understand French, I will be an interactive teacher and I will make my lessons fun and interesting. I offer lessons to both children and

I also give a summary lesson to parents at the end of each class so you can see and understand what I have taught your child.

I m available at any time.
